

Product Change Notification

Document #	PCN-450043
Change Title:	Cortina Systems® CS2111- 2 Channel RPR MAC with Enhanced Bridging, PCN450043, Product Discontinuance
Revision Date:	07 November 2011

Type of Change Notification:

PD (Product Discontinuance)

Forecasted Key Milestones:

Milestone	Date
Last Product Discontinuance Order Date:	07 November 2013
Last Product Discontinuance Shipment Date:	07 August 2014
Orders are Non-Cancelable and Non-Returnable on or after:	07 November 2012

Description of Change to the Customer:

Due to sharply declining demand, Cortina Systems, Inc. is announcing the discontinuance of the CS2111- 2 Channel RPR MAC with Enhanced Bridging.

Our current inventory position is potentially allowing a much longer LTO window than we typically provide; however, we can only accept orders for as long as we have sufficient inventory in stock to meet them. Please be advised that we will be shipping and customers must accept products >2 years seal date code. ALL CS2111 products shipped, regardless of age, will continue to be covered by Cortina warranty, RMA, and FA policies.

Customer Impact of Change and Recommended Action:

All orders become non-cancellable and non-returnable as of 07 November 2012, including any new orders accepted after that date. Reschedule requests made after this date are at Cortina's sole discretion and may be declined. Please determine your remaining demand as all orders must be placed by the last order date specified in the above Key Milestone table or until inventory has been depleted, whichever is first. There is no pin-for-pin replacement product for the CS2111 device family.

Please contact your local Cortina Sales Representative for any further information regarding these products.

Products Affected / Cortina Systems Ordering Codes:

Affected Product Code	RoHS Status	Media Type
CS2111.C	ROHS EXCEPT Pb	TRAY
HPCS2111C.C0-998110	ROHS EXCEPT Pb	TRAY
