Description of Change to the Customer:

Cortina Systems, Inc. (Cortina) is announcing a product conversion for the PCCS8016E.B1 to PCCS8016E.C0. The product change is to include functional enhancements and to fix errata found in CS8016.B1. Detail changes are located in the Cortina Systems CS8016.B/C Optical Network Unit Errata, Revision 2.0.

Customer Impact of Change and Recommended Action:

The change has no impact on form, fit, customer handling, manufacturability or product quality. Cortina advises its customers to review the CS8016.B/C Errata, Revision 2.0 and to ascertain any functional impacts to the system if there is any.

Qualification and reliability data are available at the customer's request. Samples will be available per key milestones listed above and customers are requested to start the qualification process at their earliest convenience. Customers may receive dual line items until inventory has been depleted.
