

Product Change Notification

Document #	PCN-450025
Change Title:	Cortina Systems® CS8020 Quad EPON OLT & CS8026 Dual EPON OLT, PCN-450025, Product Discontinuance
Revision Date:	11 October 2010

Type of Change Notification:

PD (Product Discontinuance) With Recommended Replacement

Forecasted Key Milestones:

Milestone	Date
Last Product Discontinuance Order Date:	11 October 2011
Last Product Discontinuance Shipment Date:	11 July 2012
Orders are Non-Cancelable and Non-Returnable on or after:	11 October 2011

Description of Change to the Customer:

Due to a shift in demand, Cortina Systems® (Cortina™) is announcing the discontinuance of the CS8020 Quad EPON OLT and CS8026 Dual EPON OLT product families.

Customer Impact of Change and Recommended Action:

All orders placed directly with Cortina become non-cancelable and non-returnable as of 11 October 2011. Cortina franchised distributors may request an RMA to return existing inventory prior to the last order date, any inventory after this date will be non-returnable and excluded from the stock rotation program. Please determine your remaining demand as Cortina will accept orders until the last order date or until inventory has been depleted, whichever is first. There is no pin-for-pin replacement product for the CS8020 and CS8026. The recommended replacement device is the Cortina Systems® CS8022 Quad EPON OLT, as this product supports application requirements with its similar feature set.

Please contact your local Cortina Sales Representative or franchised distributor for any further information regarding these products.
